PRECISION CUSTOM FABRICATIONS

168 KRAMER ROAD, AARONSBURG, PA 16820-0701 • PHONE: 814-349-5893 • FAX: 814-349-9807

## QUALITY

Poorman's Welding began in 1985 with a commitment to produce only the highest quality metal fabrications and machined products. We continue to grow today because of this commitment. Through our strong growth and quality plan, we are continuously updating our equipment and capabilities with the newest CNC technologies.

## MANUFACTURING CAPABILITIES

Poorman's prides itself in being a start to finish custom metal manufacturing facility. Whether your requirements are for production parts, brackets, guards, panels, structural, stairs and railings or proto-types, we are the dependable company for all your project needs.

Shearing • Sawing Punching • Cutting Plasma  
Oxy Fuel • Laser • Welding • Forming
